

# "Let's explore the town of Beppu!"

## Beppu Art Walk

"Beppu Art Walk" is a tour of Beppu city with a guide in English or Korean.

In addition to strolling through the back alleys where you can experience the old townscape that remains in the city center and appreciating the art works scattered around Beppu, you can also experience any art events that are taking place that day.

This is an Art Walk where you can discover the various charms of Beppu while walking around town.
